

NURSERY ANGELS, WE WELCOME YOU!

Dear Parent,

We thank you for choosing Loreto Dharamtala as a school of your choice, for imparting a value based education to your daughter. You and your daughter are warmly welcomed to the Loreto family .We look forward to embarking on a fruitful journey of collaboration between the home and school .The present challenging time stands witness to this need for collaboration . We are presently, reinventing, reimaging ,renewing our endeavours by taking the school to the home at a time when children are unable to attend school. It gives us immense joy to welcome our Nursery children on the first day of the school. We hope and pray that through joyful learning experiences and your cooperation, we will together be able to nurture your daughter in the right way and right spirit. May she grow up to be a woman of substance, a woman for others, a woman of compassion and a woman who in the time to come will do much, bringing glory to God and honour to her school.

Warm regards,

Loreto Dharamtala Family.
