"Great is the art of beginning, but greater is the art of ending." – H.W. Longfellow

Dear Parents,

Warm greetings of the day!

I take this opportunity to thank you for your constant support, cooperation, generosity and readiness to reach out during some of the most turbulent and challenging times in the History of the school. Without your support it would not have been possible to meander successfully through the last few years and also to engage children in joyful learning opportunities beyond the textbooks. We shall continue to depend on your support and collaboration for the betterment of the school and for nurturing the child.

Sports events (2018 and 2020), Still I Rise (senior section concert 2019), Science Safari (online Science Exhibition), Oneness in Togetherness (online Value Education Fest), Artitude (online Junior Section Arts event) and Cholo Phire Jai (Junior Section Concert in the school hall) are some of the many events that helped catalyse learning, character building and personality development in the children. We pray that together we will be able to mould your ward as an agent of love and healing for the world around her.

Our vision is to ensure that each child entering the gates of Loreto Dharamtala (as a little girl in Nursery) may leave it at the end of her schooling as a person of integrity. May she always act not out of fear but solely out of love and discernment.

The management, principal and staff in Loreto Dharamtala have constantly striven to keep the child at the centre of all decisions. Our teachers deserve to be applauded for adapting, responding and aspiring to the changing needs and challenges of different times. They have contributed immensely in keeping the teaching learning process alive at all times.

I take this opportunity to warmly welcome Sister Mercia D'Souza to take over as the Principal of Loreto Day School, Dharamtala with effect from 1st February, 2023 following my retirement on 31st January, 2023. Under her able and dynamic leadership and with many years of her experience, the school will surely progress forward and continue to evolve according to the needs of the times.

We seek God's choicest blessings on Sister Mercia D'Souza and I am confident that all parents, teachers and students will lend their unstinting support to her.

As a Principal of Loreto Dharamtala, I shall always cherish my journey in this school. I will very fondly carry with me, all the wonderful memories that were created in Loreto Dharamtala from 15th May, 2018 till date.

My sincere and heartfelt gratitude to Sister Sabrina and the Province Leadership Team, The Loreto Education Board, Sister Beatrice (the Secretary to the Managing Committee), the staff members (teaching as well as non-teaching), parents, past pupils and students for their accompaniment. Thank you for supporting and encouraging me in my efforts and work during my tenure as the Principal of this abode of learning and worship. May the Almighty keep each one of you and your families in his loving care always. Stay blessed one and all.

Thanking you,

With warm regards,

Mrs M Kapur
Principal
